NOTES:

*VAT on commissions is applied in cases and in the manner provided for by the tax legislation of the Republic of Kazakhstan

¹ The payment card is issued as a multi-currency/mono-currency KZT. The equivalent is in foreign currency at the exchange rate of the National Bank of the Republic of Kazakhstan (hereinafter referred to as the NBRK) as of the date of debiting from the account in US dollars, euros. The monthly maintenance fee of the payment card is charged at the time of activation of the card, in the following months it is charged after the first expensing/incoming transaction per month on the card-account/payment card. There is no service fee

²Excluding the commission of the acquiring bank and/or correspondent banks. In terms of transfer/payment from the Client's card account, the Tariffs for banking services for individual customers are applied

³ Equivalent in foreign currency at the NBRK exchange rate on the date of debiting from the account in US dollars. If the account balance is less than the fee charged, the entire balance is debited.

⁴ Restrictions on money transfer transactions are set according to the limits approved for this type of transaction

⁵ When calculating limits, etc., those transactions, financial representations (documents) for which were received by the Bank in the relevant reporting month are taken into account

⁶ The commission is charged in tenge, at the exchange rate of the National Bank of the Republic of Kazakhstan on the day of the transaction, and is calculated from the amount deposited into the Account.
